

ICNF 2015
From Nature to Market
2nd International Conference on Natural Fibers

Natural Fibrenamics Award 2015

Following-up the success of ICNF2013 - Natural Fibrenamics Award, this event is again included in the ICNF2015 programme, to award the best innovative products based on natural fibers. The innovative products/processes/ideas will be shown during the conference in a special show-room prepared for this purpose and evaluated by a selected jury, in terms of innovation, design and functionality. The contest intends to be a showcase of the latest innovations in the field of natural fibers, both for the scientific and industrial communities.

Conditions of entry

Entry is open to companies, institutes, research centers, universities and polytechnics, as well as individuals, from countries all around the world. The project submitted must be a new development in the role of natural fibers, which has not received any award elsewhere. Student applications are very encouraged.

Due to the international nature of the jury, we ask you to submit your project description in English.

Application form

Registrations will be accepted by e-mail to secretariat@icnf2015.fibrenamics.com.

In addition to the Application Form, please also fill in the form "List of exhibits", so that we can plan the special-show area in advance in order to provide the best logistic conditions.

The total size of the file must not exceed 5 MB.

Jury

A jury will decide on the Natural Fibrenamics Award and its decision will be final and indisputable. Legal recourse is excluded.

Award of prizes

The number of prizes will depend on the quality of the works submitted and is unlimited.
